DISCOVER THE MULTIPLE APPLICATIONS OF DRINK OPC+

Our Drink OPC+ contains lots of OPC and polyphenols from high quality organic grape seed extract and vitamin C from organic plant extracts and can be used for the preparation of an alcohol-free drink.

This food supplement powder blend is gluten-free and vegan. The drink tastes best with organic grape seed juice, has a delicious bitter taste and is refreshing with ice and lemon slice.

The ready to drink powder blend is available in bulk or sticks optional packed in cardboard boxes.

For other taste with organic apple juice or a juice of your choice an adjusted powder blend to be used.

Please feel free to contact us for more information.
